- T** TIME-BOUND

# Fieldtrips

Grade 10, 11, and 12 Visual Arts students visited the Art Gallery of Ontario to see the Guillermo del Toro exhibition entitled "At Home with Monsters." They explored the gallery, learned about his creative process, and even sketched their own monsters! Afterwards, the students participated in a printmaking workshop.

The Grade 11 English class, Grade 11 & 12 Drama class, and the Grade 12 Communications Technology class went on a field trip to CBC Television Studios to attend a new television show called "The Goods". This trip allowed students to be part of a studio audience and learn many of the behind-the-scenes secrets of television talk shows.

Grade 10 Canadian History class visited Queen's Park and attended a seminar hosted by guest speaker Mr. Marco Mendicino, M.P.

Grade 10 History and Visual Arts students visited the McMichael Gallery to study the works of the Group of Seven and the rise of post WWI Canadian identity in the arts and technology. They participated in a sketching workshop and explored the many different art works around the McMichael compound in Kleinberg.

The Grade 12 English class took part in the Toronto International Film Festival's "Doc in a Day" program at the Bell Lightbox. The students got to use cameras, boom mics, slates, and headphones. They also got to practice being assistant directors, interviewers, and interviewees. The class applied their newly-acquired film skills to work on their own in-class documentary assignments.

The Grade 12 World History and Society Challenge and Change classes went to the Toronto Reference Library.

Grade 11 and 12 Visual Arts -Illustration classes visited the Toronto Animated Image Society for a 4 ½ hours' animation workshop.

Grade 12 Science classes went to Ripley's Aquarium for a tour and a 2-hour biology workshop.

Grade 12 Math classes (all courses) traveled to The Great Escape (a customized escape room).

Grade 12 Environment and Resource Management class and the Eco Club participated in a Geography trip to the Climate Change Conference at University of Toronto.

Students in Grade 11 Communications Technology visited Toonbox Entertainment to get an up-close look at how an animated movie is created. Students were given a personal tour of the studio, a talk with artists, and the chance to learn about education requirements and career opportunities in the animation field.

DECA Club attended the DECA Symposium and Regional competition.

# National/Provincial Student Conferences

## DECA

Fieldstone is part of this prestigious network with 12,000+ elite Business students across Ontario and 220,000+ around the world. Members compete at Regionals, Provincials, and Internationals in a business case study competition. The prizes are awards and scholarships.

## The Duke of Edinburgh's Award

This international award for young people operates in 140 countries. Through Fieldstone's engaging and exciting co-curricular programmes, students work on the four components of the award: community service, skill-building, fitness, and adventure. They are supported by the faculty every step of the way.

## Model United Nations

Also known as Model U.N., this is a group in which students study international policies and relations. Club members work toward simulating UN committees. Through participation in this group, students become more thoughtful and active global citizens.

## Horizons Week

Fieldstone offers students an annual week of learning outside our classrooms. During that time, the school organizes group trips both near (Ottawa) and far (Costa Rica) that combine community service with adventure, physical activity, and team building to promote character development and community bonding.

# Athletics Programme

Member School of Small School Athletic Federation (SSAF)

  - Archery Tag
  - Indoor Rock Climbing
  - Laser Tag
- and much more ...

# Getting Around the City

Toronto has North America's third largest public transit system (after New York City and Mexico City).

▲ **Pearson International Airport** is the busiest airport in Canada, and the fourth busiest in North America.

Train Map  
Plan du réseau de train

▲ **GO Transit** is Ontario's inter-regional bus and train service that links Toronto with the Greater Toronto Hamilton Area and beyond. UP – Union Pearson Express line will take you between Union Station and Pearson International Airport in 25 minutes.

▲ **Toronto TTC** is a rapid transit system in Toronto. It is a system of subways, buses and streetcars. A single fare will take you on a one-way trip anywhere in the city. It is a quick, convenient and safe way to get around Toronto.

▶ **Historic Union Station** is the hub of Toronto's transportation network. 96 per cent of all GO Train riders pass through its concourse.

**Taxis** are easily hailed in the downtown area. Look out for the lit up sign on the roof of the car to determine which ones are available.

**Downtown Toronto's Path** is North America's largest continuous underground pedestrian walkway and shopping complex. It connects approximately 1200 stores and restaurants, over 50 buildings/office towers, five subway stations, Union Station, six major hotels and several entertainment centres under Toronto's financial core.

**VIA Rail** is the network that provides all rail service throughout Canada

**Cycling** is an environmental friendly and a popular way of commuting in the City. You can bring your own bike, rent some wheels or use the Bike Share Toronto bike system.

# Attractions to Explore

## Art Gallery of Ontario

Collection includes more than 80,000 works spanning the first century to the present day.

[ago.ca](http://ago.ca)
