

GRADE THREE WEEKLY UPDATE

Friday, June 15th, 2018

Happy Friday! This week has been a busy one for the Grade Threes. We went on an amazing fieldtrip to Pioneer Village, wrote progression tests, performed amazingly in the Spring Concert, and enjoyed the final full week of classes. We have been continuing to solidify our knowledge in English, Math, and Science and look back on the work we have done over the entire year. **There will be no tutorials next week because it is the last week of school.** We officially have three more school days left! I encourage the Grade 3s to not lose focus in the last weeks of school.

Math: This week, the Grade 3s wrote their three math progression tests. I was extremely impressed by the Grade 3s maturity and attitude towards the tests. We also continued to work on our visual pattern assignment that we started last week!

English: This week, the Grade 3s wrote their two English progression tests. I think our lessons on hamburger paragraphs really helped because I was so impressed with the responses I received from the writing section of the test. We also shared our Choose Your Own Adventure stories with each other!

Science: This week, the Grade 3s wrote their two Science progression tests. I am so proud of all the hard work that they each put into every test they wrote. We also went back in time and looking at units that we studied at the beginning of the year. We have been looking at the human skeleton and how it helps us do tasks such as running, jumping, sitting etc.

Social Studies: Students went to Black Creek Pioneer Village to take part in a day of farming life. They enjoyed learning about the history of a farm, eating homemade bread and playing Pioneer games.

Strings: Our Spring Arts Night on Thursday was a huge success! The students played beautifully, and made Ms. Evans-Stocks very proud.

*Please make sure that any instruments or bows borrowed from Fieldstone are returned to the music room by **Wednesday June 20th**.

Orff: We had one class rehearsal and one tech run for our performance on Thursday night!

French: After having worked so hard on their project, students were rewarded with a movie, *‘Les vacances du petit Nicolas’*. It is about this French little boy whose school year comes to an end and who spends his summer holidays with his parents and grandma at the seaside.

Gym: This week the students in Grade Three started their Strategy and Game Concepts Unit. This unit will covers games such as soccer baseball (kickball) and capture the flag.

Art: The students are completing their Blue-jay Bird Collages in colourful construction paper.

PLEASE ASK YOUR CHILD:

1. What are some goals that you have for the summer vacation?

Have a wonderful **weekend!**

WHAT’S HAPPENING NEXT WEEK?

Monday June 18 th	Tuesday June 19 th	Wednesday June 20 th	Thursday June 21 st	Friday June 22 nd
		Last day of School!	1pm Awards Ceremony	No School!
