Monday	Tuesday	Wednesday	Thursday	Friday
<p align="center"><b>Game Boards and Card Club</b></p> <p>The purpose of the board game club is to meet new students and play fun games that challenge their minds. The club values teamwork, friendly competition, and a willingness to try new things. The goal is to unite those who are passionate about board games, to provide new, different, and interesting games to play, and to create an enjoyable gaming environment.</p>	<p align="center"><b>Music Club</b></p> <p>The Music Club will give all the musicians at Fieldstone to come together and work on musical pieces that they can then perform at assemblies or in the Winter and Spring Showcases. If you enjoy music and want to build your skill and craft, this club is for you!</p>	<p align="center"><b>Science Club</b></p> <p>The Science Club will work on projects that use science to benefit lives. The club will bring together all the Science enthusiasts to make a team that works together for a common goal. The Science Club will also compete in inter-school Science competitions.</p>	<p align="center"><b>Sports Club</b></p> <p>The Sports Club will provide the space for athletes and sports enthusiasts to come together and play games in a competitive but respectful environment. Team-building, trust, risk-taking, and learning to deal with failure and success: all these values will be nurtured during club meetings, through talks and gameplay.</p>	<p align="center"><b>Yearbook Club</b></p> <p>The Yearbook Club will ensure that the year's events are memorialized in the Yearbook. Members will work together as a team to 'tell the story of the past year' through pictures and images.</p>
<p align="center"><b>Morning Announcements Club</b></p> <p>This club will develop students' public speaking skills; members will work together to plan and make morning announcements (special occasions, birthdays, reminders, and more).</p>	<p align="center"><b>Debate Club</b></p> <p>The club will build public speaking and reasoning skills; members will train to compete in friendly tournaments on a club level, and in competitions with other school teams.</p>	<p align="center"><b>Drama Club</b></p> <p>The Drama Club will develop confidence, team-building, and acting skills! The club will produce and present the Shakespeare play at the end of the year.</p>	<p align="center"><b>Girls Club</b></p> <p>The Girls Club will provide a safe space for girls to find their inner strength and power, and learn how to build a sisterhood! This is a judgment-free and stress-free space.</p>	<p align="center"><b>Les Schtroumpfs Bricoleurs</b>  <i>"Les Schtroumpfs Bricoleurs"</i> Club will provide art inspiration and 3-D art-making opportunities to students in a fun and creative space.</p>
<p align="center"><b>Basketball Club</b></p> <p>The purpose of the basketball club is to develop students' team-skills and individual skills as basketball players. Students will learn the importance of belonging to a team.</p>	<p align="center"><b>Soccer Club</b></p> <p>This student-led, after school club will provide an opportunity for soccer-enthusiasts to play <i>the beautiful game</i>.</p>	<p align="center"><b>Chess Club</b></p> <p>This after-school club will teach students how to become proficient at Chess, which will in turn help them with their thinking skills and their Math skills.</p>		
<p align="center"><b>K-Pop Club</b></p> <p>Our Grade 11 student, Hailey Jeong, wishes all dance enthusiasts to join her K-Pop club for some energetic dancing! GK - 8 welcome.</p>
