Dear Principals/School Administrators :

Re: Toronto Public Health is Reminding Families to Stay-Up-to-Date with their Measles Vaccines Ahead of March Break

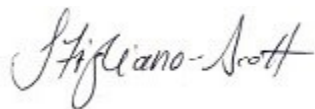

Recently, Toronto Public Health (TPH) [announced an investigation of a confirmed case of measles](#) linked to travel. This virus continues to spread in many parts of the world.

We are asking that you please encourage your school community to stay up-to-date with their routine vaccines, including the measles vaccine ahead of March Break.

Please see attached digital toolkit for social media graphics and newsletter content to promote on your channels.

If you or parents and guardians have questions, please contact TPH at publichealth@toronto.ca or 416-338-7600 (TTY: 416-392-0658), Monday to Friday from 8:30 a.m. to 4:30 p.m.

Sincerely,

Joanne Figliano-Scott
Interim Chief Nursing Officer
Interim Director, Community Health & Well-being
