

Kindergarten Weekly Update

Friday, June 14, 2024

Language Arts Ms. Petrie	This week, the Kindergarteners finished their final lesson from our Wordly Wise books! The JK and SK students have done so well with their reading comprehension and vocabulary skills while participating in these lessons. This week we also did a lot of writing. The students engaged in Father's Day writing prompts and a "What I Want To Be When I Grow Up" writing prompt. The SK students will present this prompt at their graduation next week! The kindergarteners continued to review this week as well, which included syllable work, middle sounds, and rhyming.
Math Ms. Petrie	This week, our class reviewed teen numbers and addition. The JK students worked on colour by numbers, where they were expected to know the teen numbers independently. The SK students worked on addition in colour by number worksheets. The students also engaged in centres and Math games!
Science Ms. Petrie	The Kindergartners reviewed one of their favourite Science activities this week: Sink or Float. The students needed to use their knowledge about weight, mass, and materials to predict if certain objects would sink or float in water. They then were able to test their predictions to see if they were correct!
History/Geography Ms. Petrie	This week, our class reviewed different topics learned this year. We had different discussions about what landmarks they remember, what stood out about these landmarks, and then what facts they remember. For a fun activity, we played rainforest bingo again! Before we played, students volunteered to share which animals they remember live in a rainforest.
Visual Arts Ms. Petrie	Our visual arts lessons this week focused around Father's Day. The Kindergarteners made cards for their father's, using their colouring, cutting, glueing, and drawing skills. The students also worked on their portrait making skills, and had to draw a picture of their father to the best of their abilities. These art

	activities turned out great, and the kinders cannot wait to give them to their dads!
French Mme Lechallier	This week, the students are having fun by playing a French game, like un deux trois soleil, grand-mère est ce que je peux ..
Health & Physical Education Mr. Makubuya	This week, our Kindergarten Class enjoyed a variety of Games such as Skipping, Soccer and Kickball!
Music Mr. Morales	The Kindergarten Class did a review of concepts presented throughout the year. Students who missed assignments due to absences were given as much class time as possible to finish their work. The class continues to review songs and explore new music as they look towards the future of the next school year.

Grade One/Two Weekly Update

Friday, June 14, 2024

Language Arts Mr. Murray	This week, the Grade One and Twos wrote Father's Day letters. Moreover, the Grades Ones were challenged with finding and spelling rhyming words outside, while the Grade Twos completed their Cambridge English Progression Tests! Well done Grade One and Twos! The students can now relax and enjoy the last few days of the school year! 😊
Math Mr. Murray	This week, the class prepared and completed their progression tests as well as reviewed some word problem challenges in their table groups. Students also were challenged with some problems using manipulatives they found outside.
Science Mr. Murray	This week, students completed their progression tests as well as explored and discussed some topics of interest, including, why does Coke explode with Mentos? Interestingly, it's only a physical reaction.
History/Geography Mr. Murray	This week, the Grade One and Twos completed and presented their Ancient Civilizations projects. Moreover, students worked together to decorate the bulletin board with known facts and related artwork.
Visual Arts Mme Lechallier	The students are working on a Father's day painting; they are using either paint, clay, chalk, marker.
French Mme Lechallier	This week, the students worked on reviewing for their final French test on June 17. They are working on farm animals, colours, emotions, body parts.
Health & Physical Education Mr. Makubuya	This week, our Grade One and Two class continued to prepare for Track & Field Day as well as enjoying some Soccer, Kickball and Baseball!
Music	The Grade Ones and Twos enjoyed the winding down of the school year this week as they reviewed concepts presented

Mr. Morales	throughout the year. Students who missed theory assignments due to absences were given as much class time as possible to finish their work which largely focused on musical notation.

Grade Four Weekly Update

Friday, June 14, 2024

Language Arts Mrs. Haddad	In Grade Four, we successfully conducted the Progression Tests, completing both Paper 1 and Paper 2 in class. The students also practised answering reading comprehension questions related to a text, using different types of sentences to enhance their understanding and writing skills.
Maths Ms. Sharma	This week, Grade Four reviewed and practiced for their progression tests and successfully completed their Maths Progression Tests. They did a great job!
Science Mrs. Haddad	This week, our Grade Four students focused on reviewing for the upcoming progression test. We successfully conducted the Progression Tests, completing both Paper 1 and Paper 2 in class.
History/Geography Mrs. Haddad	This week in Grade Four, our students delved into fascinating historical topics. They explored the great advances during the Tang Dynasty, learned about the fall of Emperor Hui Zong from power, and discovered what made the Mongols such fearsome warriors. These lessons provided rich insights into the complexities and achievements of ancient civilizations.
Visual Arts Mme Lechallier	The students are working on a Father's Day painting; they are using either paints, clay, chalk, markers.
French Mme Lechallier	This week, the students worked on reviewing for their Finale French test on June 17. They are working on farm animals, fruit, vegetable, winter vocabulary, body parts verbs etre and avoir in present tense.
