12:25 – 12:45	<p><i>The Earth Cubs</i> with Mrs. Haddad (K – G7)</p> <p><i>Young adventurers explore nature, wildlife, and sustainability through hands-on activities, outdoor explorations, and creative projects, fostering curiosity and responsibility for our planet. Join us!</i></p>	<p><i>Mathletics</i> with Mrs. Mao (G9 – 12)</p> <p><i>Exciting, challenging, and competitive math activities, with a focus on developing intuitive thinking skills and preparing senior school students for the Waterloo Math contests.</i></p>	<p><i>Math Square</i> with Ms. Sharma &amp; Peter Pu (G4 – 7)</p> <p><i>Join the Math Square where numbers come to life! Explore the fascinating world of mathematics by engaging in interactive math activities, brain teasers, puzzles and competitions.</i></p>	<p><i>The Drama Club</i> with Ms. Carey (5 – 12) &amp; Ms. Petrie (K – 4)</p> <p><i>The Drama Club will develop confidence, team-building, and acting skills! The club will produce and present the Shakespeare play at the end of the year. Students from all grades are welcome to attend!</i></p>	<p><i>Chinese Philosophy &amp; Culture Club</i> with Ms. Jiang (G9 – 12)</p> <p><i>Explore and appreciate the rich and diverse aspects of Chinese culture, including history, literature, philosophy, and traditions. All are welcome!</i></p>
	<p><i>The Fieldstone Music Club</i> with Mr. Morales (G9 – 12)</p> <p><i>The Music Club will give musicians at Fieldstone the chance to come together and work on musical pieces for performances at assemblies or Showcase nights. If you enjoy music and want to build your skill and craft, this club is for you!</i></p>	<p><i>The French Night Club</i> with Mme. Lechallier (K – 7)</p> <p><i>‘Laissez moi chanter!’ Students will discover French culture through songs and dance from decades to today. They will perform on stage either solo or in a group in the great French atmosphere. Join us!</i></p>	<p><i>The Manga &amp; Anime Club</i> with Mr. Tang (G7 – 12)</p> <p><i>The Manga and Anime Club is a community to connect with like-minded fans. Join us for discussions, screenings, and creative projects. All experience levels are welcome!</i></p>	<p><i>Crazy for Chemistry</i> with Mr. Khan (G9 – 12)</p> <p><i>Discover what is truly possible with a test tube and a few chemicals – in the beautiful world of Chemistry! From reactions to dilutions to crazy solvating, we'll perform exciting experiments! Join us to test what you know and learn what you don't!</i></p>	<p><i>The Zen Den</i> with Ms. Li Preti (G9 – 12)</p> <p><i>"The Zen Den" is for students who want to relax, recharge, and find their inner calm. It offers a peaceful space to de-stress, practice mindfulness, and learn simple techniques to help you stay balanced and focused.</i></p>

		<p><b>The Yearbook Club</b> with Ms. Khan (G7 – 12)</p> <p><i>The Yearbook Club are the storytellers and chroniclers of the year. They record, preserve and memorialise the experiences that take place in a year. Members work together as a team to 'tell the story of the past year' through images and stories.</i></p>			<p><b>The Book Nook</b> with Ms. Murphy (K – 7)</p> <p><i>Join Fieldstone's Book Nook, where young readers explore exciting stories, share their thoughts, and make new friends! Each month features fun discussions and creative activities to foster a love of reading.</i></p>
