PRESIDENT: MICHELLE SIMARD

Hello, hello. I am mother to Alexandre in SK and am happy to be serving on the FPA this school season. By profession, I am a Corporate Commercial Lawyer specializing in Privacy and Cybersecurity for various blue-chip companies. On the personal side, I am an avid chef who enjoys cooking for family and friends. My two children love to help me out in the kitchen and get the dogs involved as well. This year I would like FPA to bring more opportunities and fun events to FDS. I will utilize my professional skill sets to facilitate FPA initiatives and look forward to serving the school and all the students in a fun and engaging way. Check out my LinkedIn profile if you would like to know more about my skill sets and what service I can bring to FPA this year. Look forward to getting to know more parents this year and hearing what they would like for the 2024-2025 school season.

VICE PRESIDENT: HANA KLIMCZAK

My name is Hana Klimczak, I am a mom of Danilo (in grade 6) and Mihailo (in grade 4). I am also a registered dietitian helping individuals, schools, communities and workplaces build healthier habits. I believe in a balanced approach to eating and that all foods fit, so I approve of the freezies kids got during the Terry Fox run! I have zero hand-eye coordination, so in my spare time I enjoy spending time outside walking (with or without our dog), jogging, swimming and stand-up paddle boarding. And experimenting in the kitchen (although, I don't love the clean-up that comes with it).
