

# Grade Five Weekly Update

Friday, January 31, 2025

<b>English</b> Ms. Carey	This week in Grade Five English, students presented their speeches in class. They delivered these speeches as part of their public speaking unit. Students showcased their fantastic presentational skills and how creative their mind can be. They also got the opportunity to act out their class play 'A MidSummer's Nights dream'.
<b>Math</b> Ms. Sharma	This week Grade Five worked on addition and subtraction of fractions. They worked on various problems and were confident to work independently. They were introduced to the concept of 3D shapes and capacity. They were shown different nets of 3D shapes and they worked on isometric paper to sketch a net for 3D shapes.
<b>Science</b> Ms. Sharma	This week Grade Five learnt about waste material and how it's affecting the environment. They even used plastic waste to make items that they can use, or decorate. They started working on a project of food web in groups and will be presenting it in class soon.
<b>History/Geography</b> Ms. Carey	This week in Grade Five History class, students learned about 'Alexander the Great'. They studied who he was, why he was so 'great' and how he contributed to Greek society and culture. Students are always so surprised to learn how Greek culture still influences our lives today.
<b>Global Perspectives</b> Ms. Carey	This week in Global Perspectives, Grade Five students analyse their data that they gathered. They reflected on the information and identified patterns in the way students travel to school vs punctuality.
<b>Visual Arts</b> Mme. Lechallier	The students are working on Mayan art by making masks. The students are really enjoying making the mask in papier mache for their mask. The students are moving on to the next step by shaping and modelling the face by material that is offered to them.

<b>French</b> Mme. Lechallier	This week the students are working on the winter vocabulary by answering questions and they are continuing working on their verbs. The students are continuing on working to learn their poesie.
<b>Health &amp; Physical Education</b> Mr. Makubuya	This week our Grade 5 and Six class completed their Weekly health plans assignments.
<b>Music</b> Mr. Morales	The Grade Fives and Sixes finished learning the song <i>Oye como va</i> which they have been preparing for the upcoming Spring Concert. The class is able to perform the music as an ensemble however, there is still much work to be done on individual parts for various instruments. Students are encouraged to listen to the song in the time leading up to their performance.
